

# 序章 (Prologue)

<p><b>面试</b></p> <p>太阳光金亮亮地当空照，而路边的花儿梳妆完毕也在对我笑。</p> <p>小鸟唱了三唱：“早早早，你为什么背上小书包？”</p> <p>你说：“幸福的生活哪里来，得靠我背上小书包，学着蜜蜂去接蜜——解谜！”</p>	<h2>Interview</h2> <p>The sun shines brightly in the sky, and the flowers on the roadside are also smiling at me after dressing up.</p> <p>The little bird sang three times: "Early, early, why do you carry a small schoolbag?"</p> <p>You said: "Where does a happy life come from? I have to carry a small schoolbag and learn from bees to collect honey - solve puzzles!"</p>
<p>你驻足在闲散幼儿园门前。这里是市重点幼儿园，拥有乃至全国最好的解谜水平。</p> <p>今天，你要参加闲散幼儿园的解谜分班考试。你正准备进入分面试的教室，从外面走来了几个小朋友。</p>	<p>You stopped in front of Xiansan Kindergarten. This is a key kindergarten in the city, with the best puzzle-solving level in the country.</p> <p>Today, you will take the puzzle-solving class placement test of Xiansan Kindergarten. You are about to enter the classroom for the class placement interview, and a few children come from outside.</p>
<p>“哟哟哟，又有小杂鱼来参加分班考试啊？”嘲讽你是幼儿园小校霸小九。</p> <p>“嚯嚯嚯，真的很菜啊。”另一位校霸，小菇说到。</p> <p>你早就听说闲散幼儿园里有五个邪恶的校霸，他们专门霸凌学校里解谜解不好的小朋友们，让这些小朋友们从小对解谜感到恐惧。</p> <p>听说因为他们，已经有四五个小朋友走上了服装设计的道路了。</p>	<p>"Yo yo yo, another little fish comes to take the class placement test?" The one who mocked you was the kindergarten bully Xiaojiu.</p> <p>"Wow, you are really bad." Another school bully, Xiaogu, said.</p> <p>You have heard that there are five evil school bullies in Xiansan Kindergarten. They specifically bully the children in the school who are not good at solving puzzles, making these children afraid of solving puzzles since childhood.</p> <p>I heard that because of them, four or five kids have already embarked on the path of fashion design.</p>
<p>这次你的目的也是击败他们，你的朋友小笋就是其中一个受伤的成员，你上次见他，他已经放弃了解谜了，脖子上挂个大金链子。</p> <p>“我不上大学了！我的目标就是考上我们本地的涟麻中等技术学校，然后当个Rapper！”小笋说。</p> <p>“Smoke that 解谜，我现在只追求属于我的街头智慧！”</p>	<p>Your goal this time is also to defeat them. Your friend Xiaosun is one of the injured members. The last time you saw him, he had given up solving puzzles and had a big gold chain around his neck.</p> <p>"I'm not going to college! My goal is to get into our local Lianma Secondary Technical School and then become a rapper!" Xiaosun said.</p> <p>"Smoke that puzzle, I'm only pursuing my street smarts now!"</p>
<p>想到这儿，你自顾自地推开了门，屋子里坐的是园长七大。他表情一脸严肃，像是在面试世界五百强的高管一样。</p> <p>“欢迎你来到我们闲散幼儿园，”七大说道，“你准备开始考试了吗？”</p> <p>“嗯！”你斩钉截铁地说。你要替那些小朋友们报仇。</p>	<p>Thinking of this, you pushed open the door on your own. Sitting in the room was the head of the kindergarten, Qida. He had a serious expression, as if he was interviewing a senior executive of a Fortune 500 company.</p> <p>"Welcome to our Xiansan Kindergarten," Qida said, "Are you ready to start the exam?"</p> <p>"Yes!" You said firmly. You want to avenge those kids.</p>

七大笑了笑：“那么你的考试内容，就是——手工！”

？？？？我都把代数几何和数论复习了十几遍了，  
怎么不考黎曼猜想的证明啊？？！！！

Qida smiled: "Then the content of your exam is-handwork!"

？？？？ I have reviewed algebraic geometry and number theory more  
than a dozen times, why don't you test the proof of the Riemann  
hypothesis? ? !!!

# CCBC15 结局

<p>“做的好，可惜，你只是一个插班生，没有办法获得正确的学号(INDEX UNFOUND),所以，你若是想要在幼儿园里待下去，那么你就得……”</p> <p>七大满脸笑意的推开了教室的门，门口出现的是一个巨大的时空漩涡？？？</p> <p>七大看着时空漩涡，惊讶地半天说不出话来。</p>	<p>"Well done, but unfortunately, you are just a transfer student and cannot get the correct student number (INDEX UNFOUND), so if you want to stay in the kindergarten, then you have to..."</p> <p>Qida pushed open the door of the classroom with a smile on his face, and what appeared at the door was-A huge space-time vortex? ? ?</p> <p>Qida looked at the space-time vortex and was so surprised that he couldn't speak for a long time.</p>
<p>这时，后门开了，5个校霸和副校长Nano，教导主任牛牛都走了进来。</p> <p>“什么情况啊？”Nano问到。</p> <p>“我也不知道啊？”七大回答，“这门口怎么出现了一个这么大的传送门？是不是又出什么bug了？服务器又崩了？”</p> <p>“趣你大爷的！”小肉把衣服一脱，顿时，可爱的小孩子就变成了一个精壮的肌肉男，原来他是Fivero，“小白狐你这次非要搞什么解谜幼儿园，让我们几个大男人还装成小朋友玩这种Play，现在还出Bug了，有毒啊！”说完，就给了小白狐一拳。</p> <p>“好像不是一般的Bug，”Nano说到，反手给了小白狐一巴掌，“你看这个旋涡，是不是有点像时空循环啊？”</p> <p>“稍安勿躁，稍安勿躁，”另一个校霸小皮也把衣服一脱，露出了Piggy的模样。“牛牛，你不是有两年前留下来的代码吗？你去检查一下，我们在哪里可以Include一个新的Break。”他抬起脚，顺便踹了一脚小白狐。</p>	<p>At this time, the back door opened, and 5 school bullies, Vice Principal Nano, and Dean Niu Niu all walked in.</p> <p>"What's going on?" Nano asked.</p> <p>"I don't know either?" Qida replied, "Why did such a big portal appear at the door? Is there a bug again? The server crashed again?"</p> <p>"Screw you!" Xiaorou took off his clothes, and suddenly, the cute child turned into a muscular man. It turned out that he was Fivero, "Little White Fox, you must have a puzzle kindergarten this time, and let us, a few grown men, pretend to be children to play this kind of Play, and now there is a bug, it's poisonous!" After saying that, he punched Little White Fox.</p> <p>"It doesn't seem to be an ordinary bug," Nano said, and slapped the little white fox with his backhand. "Look at this vortex, isn't it a bit like a time-space loop?"</p> <p>"Be patient, be patient," another school bully, Xiaopi, also took off his clothes, revealing his appearance as Piggy.</p> <p>"Niuniu, don't you have the code left two years ago? Go check where we can include a new break." He raised his foot and kicked the little white fox.</p>
<p>其他几人也脱下了小朋友的伪装，除了小白狐没有脱开身，牛牛拿出了他的电脑：“额——系统发现一切正常。之前的AI没有出来捣乱。”</p> <p>“这怎么搞？”COL问到。大家把目光集中到了七大身上，但是拳脚还是没有停下来。</p> <p>良久的沉默——除了打击声和哀嚎声，七大说了一句话。</p>	<p>The other people also took off their children's disguises, except for the little white fox. Niuniu took out his computer: "Uh-the system found that everything was normal. The previous AI didn't come out to make trouble."</p> <p>"How to do this?" COL asked. Everyone focused their attention on Qida, but the punches and kicks did not stop.</p> <p>There was a long silence-except for the sound of beating and wailing, Qida said a word.</p>

“我不装了。”他说，并掏出了一顶巫术帽带上，顺手给小白狐施了一个治愈魔法。“先别打人了，我用魔法占卜一下。”

七大按了按一个按钮，从讲台的中间升起来了一个水晶球。在他的操纵之下，水晶球里浮现出了隐隐约约的密文和图案。凝视了一会儿，七大说出了一句让所有人恐惧的话。

“因为找不到正确的编号，CCBC，要完蛋了。”

"I won't pretend anymore." He said, and took out a witch hat and put it on, and cast a healing magic on the little white fox. "Don't hit anyone yet, I'll use magic to tell fortunes."

Qida pressed a button, and a crystal ball rose from the middle of the podium. Under his control, faint codes and patterns emerged from the crystal ball. After staring for a while, Qida said something that frightened everyone.

**"Because the correct number cannot be found, CCBC is doomed."**

# 开场

<p>“发生什么事了？”COL问到。</p> <p>“时空漩涡的来源，是因为CCBC找不到我们这一届CCBC的编号了。因此呢，平行宇宙的自我修复力量就会去其他相近的世界找东西来修复我们这个世界。可是这次又因为一些随机的原因，它触发了一些事件，导致了这些世界的CCBC不复存在。”</p> <p>“因此，自我修复力没有办法修复我们这个世界CCBC，所以才出现了时空漩涡。”</p>	<p>"What happened?" COL asked.</p> <p>"The source of the space-time vortex is that CCBC can't find the number of our CCBC. Therefore, the self-repair power of the parallel universe will go to other similar worlds to find things to repair our world. But this time, due to some random reasons, it triggered some events, causing the CCBC in these worlds to no longer exist."</p> <p>"Therefore, the self-repair power cannot repair the CCBC in our world, so the space-time vortex appeared."</p>
<p>“我去，所以这和我没关系了？”小白狐问。“那怎么办呢，要不然我得道歉一年！”</p> <p>“你们现在需要去每一个世界，拯救那些即将被毁灭的CCBC，这样，这个世界就会有足够的能量修复自身了。”七大说完，在地面上画了一个魔法阵，瞬时，空中就出现了一个传送门。</p> <p>“[insert player name] 你和闲散解谜一起去每个世界消灭难题。我们则会在教室里为大家提供必要的帮助。”七大说到，然后坐到了中间。“我会把你们交给异世界的七大。如果你解决了问题，让那个世界的七大帮你们签字画押开证明，记得盖密码菌公章，它是有魔法效益的！”</p>	<p>"Oh my, so this has nothing to do with me?" Little White Fox asked. "Then what should I do, otherwise I have to apologize for a year!"</p> <p>"You need to go to each world now and save those CCBCs that are about to be destroyed, so that this world will have enough energy to repair itself." Qi Da finished speaking, drew a magic circle on the ground, and instantly, a portal appeared in the air.</p> <p>"[insert player name], you and Xiansan Jiemi go to each world to eliminate the problems. We will provide necessary help to everyone in the classroom." Qi Da said, and then sat in the middle. "I will hand you over to the Seven Greats of the Other World. If you solve the problem, let the Seven Greats of that world sign and seal the certificate for you. Remember to stamp the official seal of the password fungus, which has magical effects!"</p>
<p>“哦对了，说起这个，你们需要完成每个世界的任务（每个区有一道元谜题，解答它需要用到该区小题的答案）；但每个世界还有一些错误能量（<b>有一题并不会影响当区的元谜题</b>），记得把那些能量让那个世界的七大封印在证明里。”</p> <p>说完，七大丢出了一个炫酷的手表：“有任何问题，请通过这台装置的HINT (Help IN Theory) 系统联系我，我会给你帮助的。当然，记得充话费。不过平行时空正在打折，我在你们的手表上增加了能量汲取器。只要你在异世界，就会自动汲取能量给平行时空。这样，你们应该慢慢会有源源不断的话费入账。”</p> <p>小白狐拿起了手表，回头看了看，便带着闲散解谜的众人和你一起进入了第一个时空漩涡。</p>	<p>"Oh, by the way, speaking of this, you need to complete the tasks of each world (each area has a meta-puzzle, and solving it requires the answers to the small questions in that area); but each world has some wrong energy (<b>there is a question that does not affect the meta-puzzle of the current area</b>), remember to let the Seven Greats of that world seal that energy in the certificate."</p> <p>After that, the Seven Greats threw out a cool watch: "If you have any questions, please contact me through the HINT (Help IN Theory) system of this device, and I will help you. Of course, remember to top up your phone bill. However, the parallel time and space are on sale, and I have added energy absorbers to your watches. As long as you are in the other world, it will automatically absorb energy for the parallel time and space. In this way, you should slowly have a steady stream of phone bills."</p> <p>The little white fox picked up the watch, looked back, and then led the people who were solving puzzles leisurely into the first time and space vortex with you.</p>

# Cuisine Contest for Best Chefs (CCBC1)

<h2>和天才美少女的烹饪对决</h2> <p>穿越到异世界后，你们似乎来到电视台的后台——但却是一个充满锅碗瓢盆的奇妙场所。正当你们好奇地四处张望时，一位身材高挑、白发飘逸的少女走了过来，她的出现让空气都似乎凝固了一瞬。</p> <p>“呀！”少女的惊叫声划破了宁静，她似乎想要呼喊保安，但当她的目光落在他们手腕上的密码菌手表上时，她的惊讶转为了惊喜。</p> <p>“你们是来自其他时空的密码菌团队？”她的声音中带着一丝好奇和兴奋。</p>	<h2>Cooking Showdown with a Genius Girl</h2> <p>After traveling to another world, you seem to have come to the backstage of a TV station - but it is a strange place full of pots and pans. Just as you were curiously looking around, a tall girl with flowing white hair came over, and her appearance made the air seem to freeze for a moment.</p> <p>"Ah!" The girl's scream broke the silence. She seemed to want to call the security guard, but when her eyes fell on the password bacteria watch on their wrists, her surprise turned into surprise.</p> <p>"Are you the password bacteria team from other time and space?" There was a hint of curiosity and excitement in her voice.</p>
<p>Fivero礼貌地回应：“正是，我们正在寻找这个世界的七大，以修复我们世界中密码菌机构的消失之谜。你是七大的秘书吗？”</p> <p>少女微微一笑，朱唇微启：“啊呀，那你们猜错啦。我就是小七，Haze的偶像成员，也是GORI Lovez的主唱。不过，关于密码菌，我其实还没来得及创办它呢，因为我一直在忙于我的偶像生涯……”</p> <p>小白狐在一旁小声嘀咕：“咱们干脆别走了吧，她看起来比我们要找的七大更有趣呢。”</p> <p>小七补充道：“我刚刚过完十七岁生日，还有很多梦想要追逐。”</p> <p>“我们还是尽快解决我们的问题吧。”小白狐改口说到。</p>	<p>Fivero responded politely: "Exactly. We are looking for the Seven of this world to fix the mystery of the disappearance of the Cryptobacteria organization in our world. Are you the secretary of the Seven?"</p> <p>The girl smiled slightly, her red lips slightly parted: "Ah, then you guessed wrong. I am Xiao Qi, an idol member of Haze and the lead singer of GORI Lovez. However, regarding Cryptobacteria, I haven't had time to establish it yet, because I have been busy with my idol career..."</p> <p>The little white fox whispered on the side: "Let's just not leave, she looks more interesting than the Seven we are looking for."</p> <p>Xiao Qi added: "I just turned seventeen, and I still have many dreams to pursue."</p> <p>"Let's solve our problem as soon as possible." The little white fox changed his words.</p>
<p>“总之，这里是《超级名厨 Cuisine Contest for Best Chefs》的录制现场！马上我就要上台参加总决赛啦！只要我在这个节目夺冠，我就应该会拿到不少代言了！”小七高兴地说。</p> <p>“祝贺你，小七。”Piggy微笑着说，“但你准备什么时候创办密码菌呢？”</p> <p>小七的笑容中带着一丝无奈：“如果我赢了这场比赛，我可能会忙于各种通告，但我仍然热爱解谜。不和你们多说啦，比赛要开始了，你们可以一会儿去观众席看我比赛哦！”</p> <p>说完，小七匆匆离去，留下了一群困惑的伙伴们。</p>	<p>"Anyway, this is the recording site of "Super Chef Cuisine Contest for Best Chefs"! I will be on stage to participate in the finals soon! As long as I win the championship in this show, I should get a lot of endorsements!" Xiao Qi said happily.</p> <p>"Congratulations, Xiaoqi." Piggy said with a smile, "But when are you going to start Password Fungus?"</p> <p>Xiaoqi's smile was a little helpless: "If I win this game, I may be busy with various announcements, but I still love solving puzzles. I won't say more to you. The game is about to start. You can go to the audience to watch me play in a while!"</p> <p>After that, Xiaoqi left in a hurry, leaving a group of confused partners.</p>

Fivero担忧地说：“如果她夺冠了，我们的问题可能就无法解决了。”

蘑菇沉思了一会儿，提出了一个大胆的想法：“我们是不是应该考虑一些非常规的方法？比如，切断电源？”

COL立刻反对：“不行，我们不能破坏这个世界的秩序，更不能和这个世界的七大产生矛盾。”

就在这时，Piggy突然灵光一闪：“我有个计划。”

节目开始，主持人的声音在舞台上回荡：“欢迎来到《超级名厨》的总决赛！让我们有请两位选手——超绝可爱元气美少女，Haze成员，小七！

还有，呃……运气特别好闯到决赛的……鲁任贾！”

小七抬头一看，惊讶地发现对面的选手竟然是Piggy。

“怎么是你？”小七小声问道。

Piggy坚定地回答：“为了密码菌的未来，我必须阻止你夺冠。我在厨艺界摸爬滚打多年，吃过的米比你吃过的碳原子还多，我相信我的实力。”

小七笑道，有些责怪的说到：“那我们就在厨房里一决高下吧。”

Fivero said worriedly: "If she wins, our problem may not be solved."

Mushroom pondered for a while and proposed a bold idea: "Should we consider some unconventional methods? For example, cut off the power supply?"

COL immediately objected: "No, we can't destroy the order of this world, let alone conflict with the seven major powers of this world."

Just then, Piggy suddenly had an idea: "I have a plan."

The show started, and the host's voice echoed on the stage: "Welcome to the finals of "Super Chef"! Let us invite two contestants - super cute and energetic beautiful girls, Haze members, Xiaoqi!"

And, uh... Lu Renjia, who is very lucky to make it to the finals!"

Xiaoqi looked up and was surprised to find that the contestant on the opposite side was Piggy.

"Why is it you?" Xiaoqi asked in a low voice.

Piggy answered firmly: "For the future of the password bacteria, I must stop you from winning. I have been in the culinary world for many years and have eaten more rice than you have eaten carbon atoms. I believe in my ability."

Xiao Qi smiled and said with some blame: "Then let's compete in the kitchen."

# CCBC1 结局

<p>“恭喜鲁任贾获得了冠军！！从来没有人看好他，但是他最终获得了胜利！”</p> <p>在主持人激昂的演讲中，Piggy走上了舞台，捧起了属于他的奖杯。Piggy回忆起了他在香港的生活，用魔法奶油（Magic Whipped Cream）制作的奶汁龙虾，色香味俱全，一下子俘获了评委的芳心。</p>	<p>"Congratulations to Lu Renjia for winning the championship!! No one ever favored him, but he won in the end!"</p> <p>During the host's passionate speech, Piggy walked onto the stage and held up his trophy. Piggy recalled his life in Hong Kong, and the milky lobster made with Magic Whipped Cream, which was delicious and captured the hearts of the judges at once.</p>
<p>下台后，你们刚做的东西端下来吃了，并和小七展开了一场闲聊。</p> <p>“你不恨我们吗，夺走了你的代言计划。”COL 问到。</p> <p>“再怎么说，我也是亚军！”小七生气的说到，“我又是这么棒的偶像，不可能没有简单的。不过，经过这次比赛，我发现我还是最喜欢解谜了。”</p> <p>“真好啊，那你什么时候准备创办密码菌？”COL 追问道。</p> <p>“回去就创办！我们准备开一个密码菌频道，准备播出一些答题节目和解谜比赛之类的，我这么棒的偶像，应该可以至少做出一点名堂吧！”</p> <p>“祝你好运！”Piggy举起一杯可乐，和小七碰了碰杯。</p>	<p>After leaving the stage, you took down the food you just made and ate it, and started a small talk with Xiao Qi.</p> <p>"Don't you hate us for taking away your endorsement plan?" COL asked.</p> <p>"No matter what, I'm the runner-up!" Xiao Qi said angrily, "I'm such a great idol, it's impossible for me to not have business orders. However, after this competition, I found that I still like solving puzzles the most."</p> <p>"That's great, then when are you going to start Password Bacteria?" COL asked.</p> <p>"We'll start it when we get back! We're going to open a password fungus channel, and we're going to broadcast some quiz shows and puzzle-solving competitions. As such an awesome idol, I should be able to make a name for myself!"</p> <p>"Good luck!" Piggy raised a glass of Coke and clinked glasses with Xiao Qi.</p>
<p>“对了！七大说需要你给我们开一个解决问题的证明。另外还要你在上面施加魔法。证明我开好了，你在这里签名盖章施法就好了！”小白狐拿了一张打印好的文件过来。</p> <p>小七三下五除二的就签好了：“好啦，我的签名可是很贵的，要珍惜哦。”</p> <p>“魔法呢？”小白狐问到。</p> <p>小七狡黠的笑了笑，随即拿勺子舀起了一勺叉烧饭，一下塞到了小白狐嘴里。</p> <p>她转了转手，向着小白狐嘴里的勺子做出了一个撒的动作。</p> <p>“xiu——现在上面已经施展了超级好吃的爱的魔法啦~”小七可爱的笑道。</p>	<p>"By the way! Qi Da said that we need you to give us a proof of solving the problem. In addition, we need you to cast magic on it. I've got the proof, just sign and stamp it here and cast the spell!" The little white fox brought a printed document over.</p> <p>Xiao Qi signed it in no time: "Okay, my signature is very expensive, so you have to cherish it."</p> <p>"Where's the magic?" the little white fox asked.</p> <p>Xiao Qi smiled slyly, then took a spoonful of barbecued pork rice and stuffed it into the little white fox's mouth.</p> <p>She turned her hand and made a scattering motion towards the spoon in the little white fox's mouth.</p> <p>"Xiu——Now the super delicious magic of love has been cast on it~" Xiao Qi smiled cutely.</p>

# CCBC12

尊敬的各位，我是瑶瑶，本届CCBC12的命题负责人。我们深感有必要为CCBC12注入新的活力和创新元素。因此，我们在赛事中融入更多的科学元素，以增加比赛的技术性和探索性，为参赛者带来更丰富的体验。本届CCBC赛事将引入一系列物理学领域的内容，以丰富和深化赛事的学术内涵。我们计划涵盖热力学、量子力学等基础理论，同时包括电磁学计算等应用科学问题。此外，赛事还将涵盖物理工程实践，如航天工程等领域的挑战，以及对拓扑学概念的深入探讨。我们相信，通过这些精心设计的题目，CCBC赛事将展现出新的活力和深度，为参赛者提供更为全面的学术挑战。

我知道为什么CCBC  
在这个世界  
要被毁灭了

要不要我们一起加入  
你们的出题组，帮帮你们？

欢迎加入!!!

<h2>科学的深入浅出</h2> <p>一阵白光过后，你们就来到了一个充满着科学气息的地方。</p> <p>“中科院量子物理研究所？我似乎之前来过这儿。”COL环顾了四周。</p> <p>这时，他们突然看见一个和七大长相一样的男子带着另一群人从拐角那头过来了。其中两个人还长得特别像Piggy和Fivero。</p>	<h2>Science in Simple Terms</h2> <p>After a burst of white light, you came to a place full of scientific atmosphere.</p> <p>"Institute of Quantum Physics, Chinese Academy of Sciences? I seem to have been here before." COL looked around.</p> <p>At this time, they suddenly saw a man who looked like Qi Da coming from the corner with another group of people. Two of them looked especially like Piggy and Fivero.</p>
<p>“哈喽，你是这个世界的七大吗？”小白狐问到。</p> <p>“您好，我是七大。在此，我有幸向您介绍我的同事：瑶瑶先生、Biggy先生以及Ninero先生。我们团队来自不同的领域，但共同致力于实现我们的目标和愿景。”七大说到，几个人一一握手。</p>	<p>"Hello, are you Qi Da from this world?" asked the little white fox.</p> <p>"Hello, I am Qi Da. Here, I have the honor to introduce my colleagues to you: Mr. Yaoyao, Mr. Biggy and Mr. Ninero. Our team comes from different fields, but we are committed to achieving our goals and vision together." Qi Da said, and several people shook hands one by one.</p>
<p>“尊敬的各位，我是瑶瑶，本届CCBC12的命题负责人。我们深感有必要为CCBC12注入新的活力和创新元素。因此，我们决定在赛事中融入更多的科学元素，以期提升其学术性和探索性，为参赛者带来更丰富的体验。”一位看起来学识渊博的男子走上前来。</p> <p>“本届CCBC赛事将引入一系列物理学领域的内容，以丰富和深化赛事的学术内涵。我们计划涵盖热力学、量子力学等基础理论，同时包括电磁学计算等应用科学问题。此外，赛事还将涵盖物理工程实践，如航天工程等领域的挑战，以及对拓扑学概念的深入探讨。我们相信，通过这些精心设计的题目，CCBC赛事将展现出新的活力和深度，为参赛者提供更为全面和深入的学术挑战。”瑶瑶说到。Biggy和Ninero也一起点头。</p>	<p>"Dear everyone, I am Yaoyao, the person in charge of the topic of this CCBC12. We feel it is necessary to inject new vitality and innovative elements into CCBC12. Therefore, we decided to incorporate more scientific elements into the competition in order to enhance its academic and exploratory nature and bring a richer experience to the contestants." A man who looked knowledgeable came forward.</p> <p>"This CCBC competition will introduce a series of content in the field of physics to enrich and deepen the academic connotation of the competition. We plan to cover basic theories such as thermodynamics and quantum mechanics, as well as applied scientific problems such as electromagnetic calculations. In addition, the competition will also cover physical engineering practices, such as challenges in aerospace engineering and other fields, as well as in-depth discussions on topological concepts. We believe that through these carefully designed topics, the CCBC competition will show new vitality and depth, providing contestants with more comprehensive and in-depth academic challenges." Yaoyao said. Biggy and Ninero also nodded together.</p>
<p>看着七大默许的目光，Piggy愣住了，喃喃自语道：“我知道为什么CCBC在这个世界要被毁灭了……”</p> <p>“这么有意思啊！我们那个世界的CCBC已经出完了，要不要我们一起加入你们的出题组，帮帮你们？”小白狐戳了戳Piggy，问道。</p>	<p>Seeing the seven tacit eyes, Piggy was stunned and murmured to herself: "I know why CCBC is going to be destroyed in this world..."</p> <p>"So interesting! The CCBC in our world has been completed. Do you want us to join your question-setting team and help you?" The little white fox poked Piggy and asked.</p>

“非常感谢您的关注和支持。我们目前确实需要扩充团队以应对即将到来的工作。如果您对此感兴趣，并愿意加入我们的团队，我们将非常欢迎。！”这个世界的七大说到。

看来，你们需要想办法在出题进度中改变这次CCBC的题目了。

"Thank you very much for your attention and support. We really need to expand the team to cope with the upcoming work. If you are interested in this and are willing to join our team, we will be very welcome!" said the seven in this world.

It seems that you need to find a way to change the topic of this CCBC in the question-setting process.

# CCBC12 结局

<p>在Piggy拿出自己哄女儿的经历，为CCBC12出题组讲了两公升的童话(DROPPING FABLES)后，CCBC12的出题组终于意识到了自己出题太难了。</p> <p>“Piggy先生，您的观点极具洞察力，我们深表赞同。”瑶瑶说到，“我们致力于在保持对量子物理学普及教育的同时，对题目进行适当的简化，以便于更广泛的受众理解。”</p> <p>“瑶瑶先生，鉴于您在学术领域的专长和对CCBC赛事的深刻理解，我们决定委以重任。请您负责对题目进行必要的修订和完善，以确保本届CCBC赛事能够取得更大的成功。我们对您的工作充满期待，并相信您的贡献将为赛事带来新的辉煌。”七大说到。</p>	<p>After Piggy used her experience of coaxing her daughter and told the CCBC12 question-setting team a two-liter fairy tale (DROPPING FABLES), the CCBC12 question-setting team finally realized that their questions were too difficult.</p> <p>"Mr. Piggy, your point of view is very insightful, and we deeply agree with it." Yaoyao said, "We are committed to simplifying the questions appropriately while maintaining the popularization of quantum physics education, so that a wider audience can understand it."</p> <p>"Mr. Yaoyao, in view of your expertise in the academic field and your deep understanding of the CCBC competition, we have decided to entrust you with an important task. Please be responsible for making necessary revisions and improvements to the questions to ensure that this CCBC competition can achieve greater success. We are full of expectations for your work and believe that your contribution will bring new glory to the competition." Qida said.</p>
<p>“对了，你能给我们开一个帮你们解决了世界问题的证明吗？”小白狐拿出了打印好的证明。</p> <p>七大娴熟的签字，盖章，并往上施了一层魔法。</p> <p>“我们已经完成了必要的签字程序。在此，我要向您以及整个出题团队表示衷心的感谢。您的努力和贡献对于CCBC赛事的成功至关重要。我们期待着与您们继续合作，共同推动赛事向更高水平发展。”七大说到。</p>	<p>"By the way, can you give us a certificate that you have helped you solve the world's problems?" The little white fox took out the printed certificate.</p> <p>Qida signed skillfully, stamped, and cast a layer of magic on it.</p> <p>"We have completed the necessary signing procedures. Here, I would like to express my sincere gratitude to you and the entire question-setting team. Your efforts and contributions are crucial to the success of the CCBC event. We look forward to continuing to work with you to jointly promote the event to a higher level." Qida said.</p>
<p>“说话好累啊！”回到了教室的蘑菇，愤怒的吼了一句。</p>	<p>"It's so tiring to talk!" Mushroom, who returned to the classroom, shouted angrily.</p>

<p><b>全球呼叫出题组</b></p> <p>当我们落地的时候，我们出现在了一个巨大的豪宅面前。</p> <p>“哇，这个世界的七大这么有钱吗？居然有这么大一个豪宅？”COL抬头看着这个三层小洋房，发出了羡慕的疑问。</p> <p>“不是我！这里是C10出题组的家！”一个熟悉的声音响起，旁边的七大穿着公司文化衫走了过来，看起来就像是才从公司团建跑出来一样。</p>	<p><b>Global Call Questioning Group</b></p> <p>When we landed, we appeared in front of a huge mansion.</p> <p>"Wow, are the seven big people in this world so rich? They actually have such a big mansion?" COL looked up at the three-story small house and asked with envy.</p> <p>"It's not me! This is the home of the C10 Questioning Group!" A familiar voice sounded, and the seven big people next to him came over wearing company culture shirts, looking like they had just run away from the company's team building.</p>
<p>“他们跑路了！”七大生气的说，“为了不出CCBC，他们全部都申请外派出国工作了！电话打不通，Skype也不回，微信也不回，邮件也不回我还要加班！！！！！我没法去找他们！！！！”</p> <p>七大反身过来一指：“你们！你们是从异世界来帮我的人是不是？”</p> <p>“是……是的？”蘑菇有些被吓到。</p> <p>“你们！我在他家门口发现了这张飞机会员卡和行程单！你们给我去抓他们！”七大怒气冲冲的说，“反正刷他们的卡，花钱别心疼，把他们都给我逮回来！”</p>	<p>"They ran away!" The seven big people said angrily, "In order not to leave CCBC, they all applied for overseas assignments! The phone calls are not connected, Skype is not replied, WeChat is not replied, and emails are not replied. I still have to work overtime!! ! ! I can't find them!!!"</p> <p>Qi Da turned around and pointed: "You! Are you the people who came from another world to help me?"</p> <p>"Yes... yes?" Mushroom was a little scared.</p> <p>"You! I found this airline membership card and itinerary at his door! Go catch them!" Qi Da said angrily, "Anyway, swipe their cards, don't feel bad about spending money, catch them all for me!"</p>
<p>一说到坐国际航班，几个人就面露难色。</p> <p>“我们也没带护照，没有签证……”COL支支吾吾的说道。</p> <p>“签证？签证是什么？不是有联合国卡就可以去外国玩吗？”七大问，“联合国卡是联合国发明的国际认证，基本上大家都有，有了它大家就可以去全世界玩了，你们世界不会没这个吧？”</p> <p>良久，良久的沉默。大家互相看了一看，没有说话。</p>	<p>When it comes to taking an international flight, several people look embarrassed.</p> <p>"We didn't bring our passports, and we don't have visas..." Basically everyone has it. With it, everyone can go around the world. You don't have this in your world, right?"</p> <p>There was a long, long silence. Everyone looked at each other and didn't speak.</p>

结合古代搜索引擎——风水，以及现代搜索引擎——Bing (Feng Shui and Bing) 之下，在信号很好的昆仑山上，你们终于找到了和你们打游击战的出题组。

“我天！他不是我领导吗？原来他出差是跑着躲你们啊！”杭州来的，橙色大厂的程序员指着出题组其中一员说道。他一声令下，你们雇来的哥布林立刻冲上去揍了他们一顿。

“出题出不了，不要跑知道吗？”Fivero点起了一根烟，然后咳嗽了两声，“怎么回事，我不抽烟来着，感觉在高原上就容易抽烟。”

在大家的努力下，C10的出题组只得乖乖就范。一位出题者无力地跪在了地上，哭泣道：“呜呜呜，我对不起你们！”

“记住了，这次的飞机票就是我对你们的惩罚！”小白狐趾高气昂的说到，同时，他从包里拿出了一纸证明，交给了七大，让他帮忙签字施魔法。

签名完毕，七大对你们表示了由衷的感谢。正当他们决定进行进一步的寒暄时，一阵刺耳的警笛从窗外传了过来，你们面面相觑，但心里都知道发生了些什么事。

“七大，如果警察来了，请你把这些交给他们。”小白狐郑重其事的把一些证件放到了七大的手上，“下一个的世界遭遇了危机，我们需要去拯救那个世界的CCBC了，七大，您保重。”

七大热泪盈眶：“谢谢你们，慢走！”

你们打开传送门，落荒而逃。

Combining the ancient search engine - Feng Shui, and the modern search engine - Bing (Feng Shui and Bing), you finally found the question-setting team that was fighting a guerrilla war with you on the Kunlun Mountains with good signals.

"Oh my God! Isn't he my leader? It turns out that he was running away from you when he was on a business trip!" The programmer from the Orange Factory in Hangzhou pointed to one of the question-setting team members and said. At his command, the goblins you hired immediately rushed up and beat them up.

"If you can't come up with a question, don't run away, okay?" Fivero lit a cigarette and coughed twice, "What's the matter? I don't smoke. I feel that it's easy to smoke on the plateau."

With everyone's efforts, the C10 question-setting team had to obey. A question-setter knelt on the ground weakly and cried: "Wuwuwu, I'm sorry for you!"

"Remember, this plane ticket is my punishment for you!" The little white fox said arrogantly. At the same time, he took out a certificate from his bag and handed it to the Seventh Master, asking him to help sign and cast a magic.

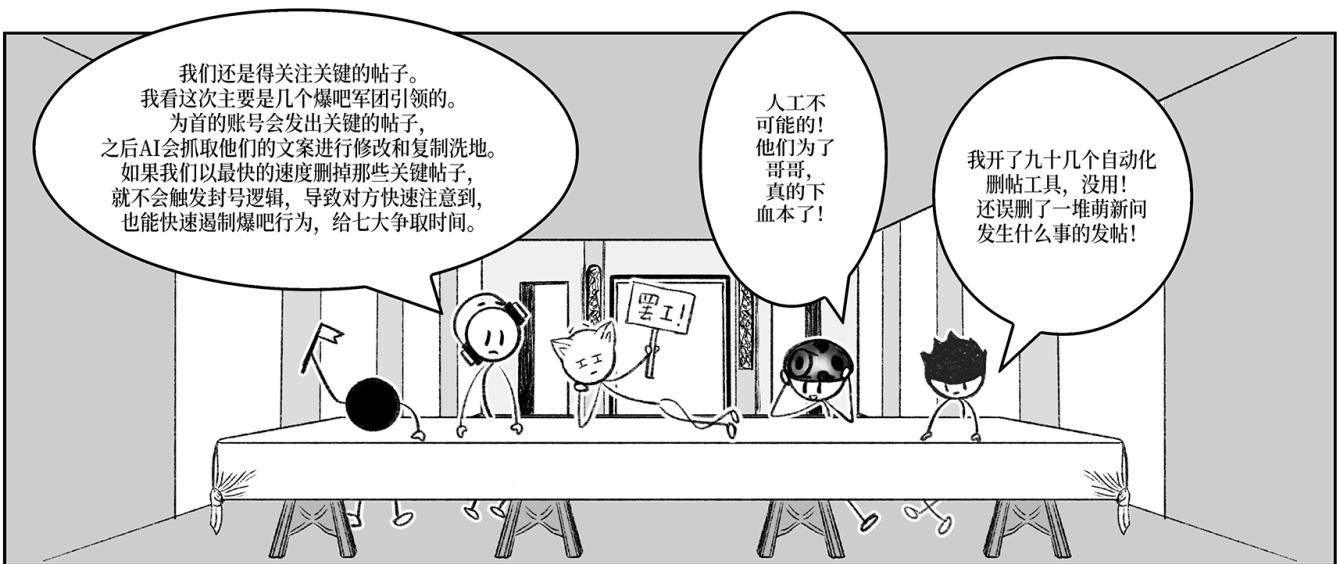

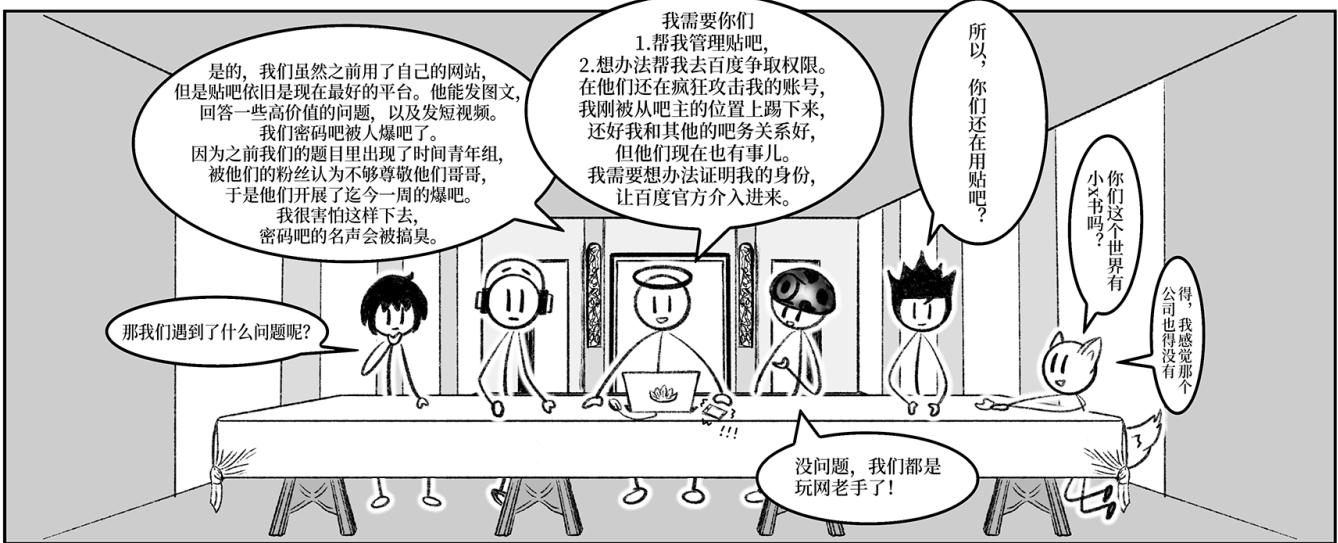

After signing, Qi Da expressed his heartfelt thanks to you. Just as they decided to have further greetings, a shrill siren came from the window. You looked at each other, but you all knew what had happened.

"Qida, if the police come, please give these to them." The little white fox solemnly put some documents in Qi Da's hand, "The next world is in crisis, we need to save the CCBC of that world, Qi Da, take care."

Qida's eyes were filled with tears: "Thank you, take care!"

You opened the portal and fled.

<p><b>爆吧大战</b></p> <p>七大家里，你们一群人面面相觑。</p> <p>“所以，你们还在用贴吧？”Fivero问道。</p> <p>“是的，我们虽然之前用了自己的网站，但是贴吧依旧是现在最好的平台。他能发图文，回答一些高价值的问题，以及发短视频。另外百度还因为开发了二次元开放世界游戏成了最强的游戏公司之一。在贴吧流量比较大，我们就继续在贴吧举办比赛了。”</p>	<p><b>Battle of the Blast Bar</b></p> <p>In the Qida family, you all looked at each other in bewilderment.</p> <p>"So, you are still using Tieba?" Fivero asked.</p> <p>"Yes, although we used our own website before, Tieba is still the best platform now. It can post pictures and texts, answer some high-value questions, and post short videos. In addition, Baidu has become one of the strongest game companies because of the development of the two-dimensional open world game. The traffic on Tieba is relatively large, so we will continue to hold competitions on Tieba."</p>
---	--

<p>此时，七大的电脑和手机一直在“噔噔噔”的弹提示音。</p> <p>“你们这个世界有小x书吗？”小白狐问。</p> <p>“那是什么？”七大回答。</p> <p>“得，我感觉那个公司也得没有……”小白狐嘟囔了几句。</p> <p>“那我们遇到了什么问题呢？”Piggy问。</p>	<p>At this time, Qida's computer and mobile phone have been "ding ding ding" prompt sound.</p> <p>"Do you have Xiaoxshu in your world?" Little White Fox asked.</p> <p>"What is that?" Qida answered.</p> <p>"Well, I feel that company doesn't have it..." Little White Fox muttered a few words.</p> <p>"Then what problem did we encounter?" Piggy asked.</p>
<p>七大指了指手机，拿起来扫了扫：“你们听到了，我们密码吧被人爆吧了。因为之前我们的题目里出现了‘时间青年组’，被他们的粉丝认为不够尊敬他们哥哥，于是他们开展了迄今一周的爆吧。现在他们还在微博和抖音上挂我们，我很害怕这样下去，密码吧的名声会被搞臭。”</p> <p>“我需要你们1.帮我管理贴吧，2.想办法帮我去百度争取权限。现在他们还在疯狂攻击我的账号，我刚被从吧主的位置上踢下来，还好我和其他的吧务关系好，但他们现在也有事儿。我需要想办法证明我的身份，让百度官方介入进来。”</p> <p>“没问题，我们都是玩网老手了！”蘑菇拍着胸脯说道。</p>	<p>Qida pointed at his phone, picked it up and scanned it: "You heard it, our password bar was attacked. Because our topic had the word 'Time Youth Group' in it before, their fans thought that we were not respectful enough to their brother, so they launched a week-long attack. Now they are still hanging us on Weibo and Douyin. I am very afraid that if this continues, the reputation of the password bar will be ruined."</p> <p>"I need you to 1. help me manage the forum, 2. find a way to help me get permission from Baidu. Now they are still attacking my account crazily. I was just kicked off the position of forum owner. Fortunately, I have a good relationship with other forum staff, but they are also busy now. I need to find a way to prove my identity and let Baidu officials intervene."</p> <p>"No problem, we are all veterans in playing the Internet!" Mushroom said, patting his chest.</p>
<p>三个小时以后，所有人累到躺在了地上。</p> <p>“我开了九十几个自动化删帖工具，没用！还误删了一堆萌新问发生什么事的发帖！”Fivero无奈的说道。</p> <p>“人工不可能的！他们为了哥哥，真的下血本了！”蘑菇也愤怒的把劳累都吼了出来。</p> <p>“我们还是得关注关键的帖子。我看这次主要是几个爆吧军团引领的。为首的账号会发出关键的帖子，之后AI会抓取他们的文案进行修改和复制洗地。如果我们以最快的速度删掉那些关键帖子，就不会触发封号逻辑，导致对方快速注意到，也能快速遏制爆吧行为，给七大争取时间。”COL说到。</p> <p>那么，得快速定位那些特殊帖子……这也太难了吧！</p>	<p>Three hours later, everyone was so tired that they lay on the ground.</p> <p>"I opened more than 90 automatic post deletion tools, but it didn't work! I also accidentally deleted a lot of posts from newbies asking what happened!" Fivero said helplessly.</p> <p>"It's impossible to do it manually! They really spent a lot of money for their brother!" Mushroom also shouted out his tiredness angrily.</p> <p>"We still have to pay attention to the key posts. I think this time it was mainly led by a few bar bombing groups. The leading account will post key posts, and then AI will grab their copywriting to modify and copy it. If we delete those key posts as quickly as possible, it will not trigger the account blocking logic, causing the other party to notice it quickly, and it can also quickly curb the bar bombing behavior and buy time for the seven majors." COL said.</p> <p>Then, we have to quickly locate those special posts... This is too difficult!</p>

很简单啊，把登录，发帖，管理记录一发，就证明了七大经常来这个贴吧(Came a lot)了。百度，这个国内不容置疑的B(之于BAT, 请不要给我寄律师函，谢谢，李哥)，很快的就把这帮爆吧的人封了，顺便炸了时间青年组吧，气的他们在微博上说要冲了李彦宏。此后的事情，就只能说后人评说了。

七大爽快利落的给你们开了证明，并往证明上施展了魔法，还给你们送了许多百度官方寄来的礼品。顺便还带你们去市中心的漫展玩了一圈。许多可爱的少女都cos成了百度的二次元开放世界游戏的角色。

“这个世界的百度太厉害了！在我们世界，二次元开放世界游戏是另一个公司做的，这让他们直接跻身成了国内前几名的游戏公司！”COL惊叹道。

“是吗，感觉二次元还是很牛的。希望无论你喜欢什么，大家都能互相理解吧。其实我也理解他们的粉丝，大家都为自己喜欢的东西奋战，这也太酷了。”七大说。

“不过，我感觉我们还是得单独建站，这样才能把谜题掌握在自己手上。”

It's very simple. Just post the login, posting and management records to prove that Qida often comes to this forum (Came a lot). Baidu, the unquestionable B in China (for BAT, please don't send me a lawyer's letter, thank you, Brother Li), quickly blocked the group of people who blew up the forum, and also blew up the Time Youth Group, which made them say on Weibo that they would attack Li Yanhong. What happened after that can only be judged by future generations.

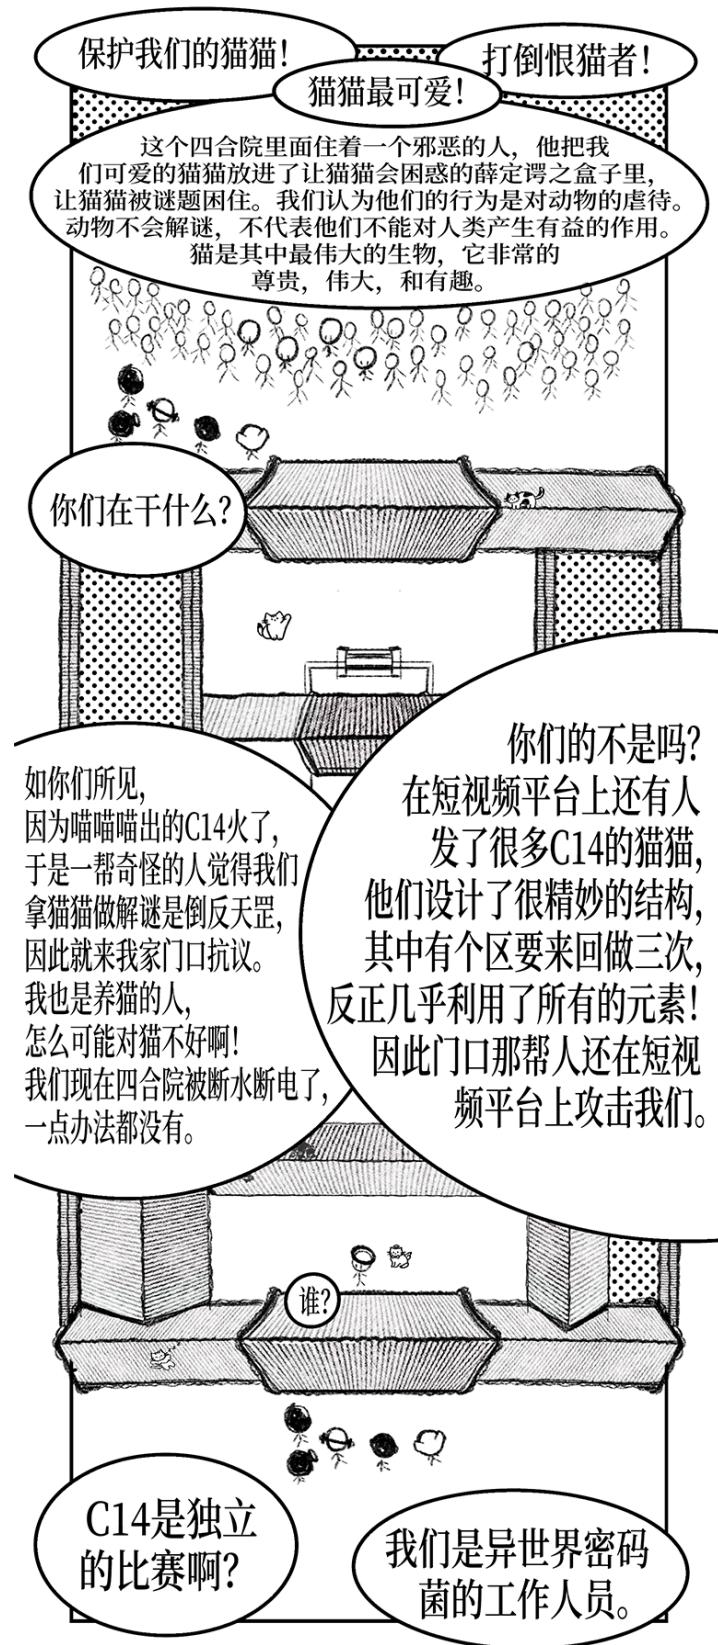

Qida quickly and neatly issued you a certificate, cast magic on the certificate, and gave you many gifts sent by Baidu. By the way, they also took you to the comic exhibition in the city center. Many cute girls cosplayed as characters in Baidu's two-dimensional open world game.

"Baidu in this world is so powerful! In our world, the two-dimensional open world game is made by another company, which makes them directly rank among the top game companies in China!" COL exclaimed.

"Really? I think the ACG world is still awesome. I hope everyone can understand each other no matter what you like. I also understand their fans. Everyone fights for what they like. This is so cool." Qi Da said.

"However, I think we still have to build a separate website so that we can master the puzzle in our own hands."

## 我爱猫猫！

北京，二环内，你们降落在了一个四合院的前面。

“保护我们的猫猫！”“猫猫最可爱，猫猫最棒！”“打倒恨猫者，打倒恨猫者！”一群人，男女老少，应有尽有，正站在四合院的前面，抗议着。他们一边说着，一边跟着《这么可爱真是抱歉了》的音乐翩翩起舞。

“你好，请问你们在干什么？”看见他们在跳舞的COL饶有兴趣，便找了个领头的人，问他们。

“这个四合院里面住着一个邪恶的人，他把我们可爱的猫猫放进了让猫猫会困惑的薛定谔之盒子里，让猫猫被谜题困住。我们认为他们的行为是对动物的虐待。动物不会解谜，不代表他们不能对人类产生有益的作用。比如，牛是人类最好的朋友，而狗憨态可掬，非常的可爱，被称之为国宝。猫是其中最伟大的生物，它非常的尊贵，伟大，和有趣。”

“那你们跳的是……”COL问。

“猫娘舞，以表现我们对猫猫大人的喜爱。”领头者回答。众人沉默了一小会儿。

## I love cats!

In Beijing, within the Second Ring Road, you landed in front of a courtyard.

"Protect our cats!" "Cats are the cutest, cats are the best!" "Down with cat haters, down with cat haters!" A group of people, men, women, young and old, were standing in front of the courtyard, protesting. As they spoke, they danced to the music of "Sorry for being so cute".

"Hello, what are you doing?" The COL who saw them dancing was interested, so he found a leader and asked them.

"There is an evil person living in this courtyard. He put our lovely cats into Schrodinger's box, which confuses the cats and traps them in puzzles. We think their behavior is animal abuse. Just because animals can't solve puzzles doesn't mean they can't be beneficial to humans. For example, cows are humans' best friends, and dogs are cute and adorable, and are called national treasures. Cats are the greatest creatures among them. They are very noble, great, and interesting."

"Then what are you dancing..." COL asked.

"Cat Lady Dance, to show our love for cats." The leader answered. Everyone was silent for a while.

“打扰，我问一下，你们这个世界里，红烧肉是用什么动物做的？”Fivero问。

“那当然是熊猫肉了！熊猫虽然懒，但是它的肉是非常的香嫩。很多人不喜欢熊猫，但它喂饱了千千万万的饭桌。”领头的人说到。

“你太喜欢熊猫了！”另一个人说，“可惜熊猫又胖又懒，也就只有那些又胖又懒的人才喜欢熊猫吧！对于他们来说，不如把熊猫都扔到动物园里，这帮人肯定每周末都去买票送钱！”

"Excuse me, may I ask, in your world, what animal is braised pork made of?" Fivero asked.

"Of course it's panda meat! Although pandas are lazy, their meat is very tender and fragrant. Many people don't like pandas, but they feed thousands of tables." The leader said.

"You like pandas too much!" said another person, "It's a pity that pandas are fat and lazy. Only those fat and lazy people like pandas! For them, it's better to throw all the pandas into the zoo. These people will definitely buy tickets and give money every weekend!"

你们面面相觑。良久，小白狐上去向那人伸出了手。

“你说的太对了！熊猫就是这样一种很烂的动物，我同意你！要不是它拖后腿，人们一定会更喜欢各种动物的。对了，这附近有没有厕所，你能带我们去一下吗？”

那人高兴的握手：“没问题，哥这就带你去。”

You looked at each other. After a long time, the little white fox went up and stretched out his hand to the man.

"You are so right! Pandas are such a bad animal. I agree with you! If it weren't for it holding people back, people would definitely like all kinds of animals more. By the way, is there a toilet nearby? Can you take us there?"

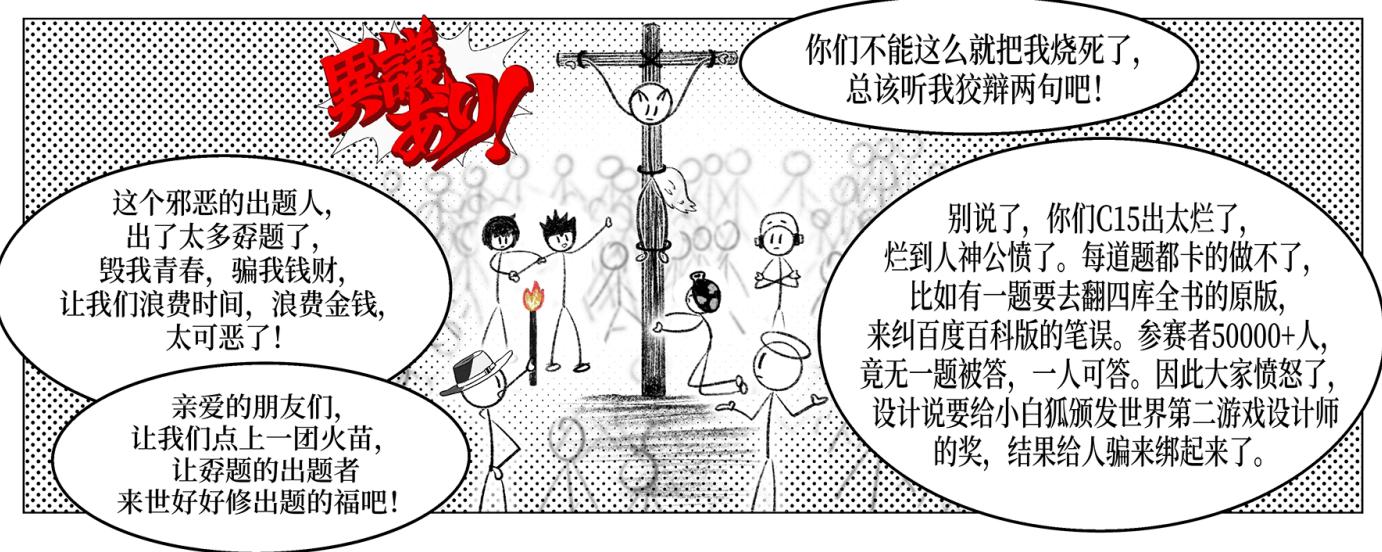

The man shook hands happily: "No problem, brother will take you there right away."

<p>四合院的背后，你们手上带着伤痕和血，站在了四合院的后门。</p> <p>“龟龟，真解气。”Fivero说到，“看起来七大就在这个四合院里头了，我们这次估计就是要把他解救出来。”Piggy敲了敲门，过了一会儿，才听到脚步声。</p> <p>“谁？”听起来像七大的声音。</p> <p>“我们是异世界密码菌的工作人员。”Piggy说道。</p>	<p>Behind the courtyard, you stood at the back door of the courtyard with scars and blood on your hands.</p> <p>"Turtle, it's so refreshing." Fivero said, "It looks like Qi Da is in this courtyard. We probably have to rescue him this time." Piggy knocked on the door, and after a while, footsteps were heard.</p> <p>"Who?" It sounded like Qi Da's voice.</p> <p>"We are the staff of the Different World Code Bacteria." Piggy said.</p>
<p>七大随即打开了门。你们走了进去，一片黑暗，里面传来了一阵阵的喵喵声。</p> <p>“如你们所见，因为喵喵喵出的C14火了，于是一帮奇怪的人觉得我们拿猫猫做解谜是倒反天罡，因此就来我家门口抗议。我也是养猫的人，怎么可能对猫不好啊！我们现在四合院被断水断电了，一点办法都没有。”</p> <p>“啥，C14是独立的比赛啊？”Fivero问道。</p> <p>“你们的不是吗？在短视频平台上还有人发了很多C14的猫猫，他们设计了很精妙的结构，其中有个区要来回做三次，反正几乎利用了所有的元素！因此门口那帮人还在短视频平台上攻击我们。”七大一边给发电机加汽油，一边说。</p> <p>“懂了，看来还是得说服他们才行。”小白狐说道，“毕竟删除那些视频，减少影响，不能全靠武力。”</p>	<p>Qida opened the door immediately. You walked in, it was dark, and there were bursts of meows from inside.</p> <p>"As you can see, because C14 released by Meow Meow Meow became popular, a group of strange people thought that we were against Tiangang by using cats to solve puzzles, so they came to my door to protest. I am also a cat owner, how can I be bad to cats! Our courtyard is now cut off from water and electricity, and there is nothing we can do."</p> <p>"What, C14 is an independent competition?" Fivero asked.</p> <p>"Isn't it yours? There are also people who posted a lot of C14 cats on the short video platform. They designed a very sophisticated structure. One of the areas has to be done back and forth three times. Anyway, almost all elements are used! So the group at the door is still attacking us on the short video platform." Qida said while adding gasoline to the generator.</p> <p>"I understand, it seems that we still have to convince them." The little white fox said, "After all, deleting those videos and reducing the impact cannot rely solely on force."</p>

Because everyone liked the weasel so much, the protesters finally chose to forgive the Seven Greats.</p> <p>"Hey, in the end I have to smile, they are really looking for trouble." Qida took the document handed over by the little white fox and signed it while saying, "It's okay, then I will go back to continue organizing CCBC15. It's quite interesting that the question-setting group in the other world is actually you, the second-in-command."</p> <p>"Hey, who is the question-setting group for CCBC15 this year?" Fivero asked.</p> <p>"Simplissimus, who else?" Qida answered.</p> <p>At the same time, before leaving, the little white fox said that he would take everyone to the breeding farm in the countryside. ## 毒题杀死了出题明星

“我怎么被绑在了一根木头上？”到了这个世界的小白狐问道。他低头看了一眼，脚下布满了柴火。

其他人也没好到哪里去。你们现在在一个广场中央，四周全部都是穿着兜帽和长袍的人，其中一大半人手里还拿着火把。这个世界的七大也在你们旁边。

“什么情况？”Fivero问七大。

“别说了，你们C15出太烂了，烂到人神共愤了。每道题都卡得做不了，比如有一题要去翻四库全书的原版，来纠百度百科版的笔误。参赛者50000+人，竟无一题被答，一人可答。因此大家愤怒了，设计说要给小白狐颁发世界第二游戏设计师的奖，结果给人骗来绑起来了。”七大解答道。

知道了自己的下场，小白狐惊讶且恐惧地看着人群，不知如何是好。

## Bad questions killed the star questioner

"Why am I tied to a piece of wood?" asked the little white fox who had arrived in this world. He looked down and saw that his feet were covered with firewood.

Others were not much better. You are now in the middle of a square, surrounded by people wearing hoods and robes, and most of them are holding torches. The seven greats of this world are also next to you.

"What's going on?" Fivero asked the seven greats.

"Don't say it, your C15 is too bad, so bad that it is infuriating to both humans and gods. Every question is so difficult to answer that you can't do it. For example, there is a question that requires you to look up the original version of the Siku Quanshu to correct the typos in the Baidu Encyclopedia version. There are more than 50,000 contestants, but no question was answered and only one person could answer it. Therefore, everyone was angry. The designer said that he would give the little white fox the award for the world's second game designer, but he was tricked and tied up." The seven greats answered.

Knowing his fate, the little white fox looked at the crowd in surprise and fear, not knowing what to do.

<p>Seleclipse站在人群的最前面，他指着被绑着的小白狐，高喊：“这个邪恶的出题人，出了太多孬题了，毁我青春，骗我钱财，让我们浪费时间，浪费金钱，太可恶了！”</p> <p>“等下，你们CCBC收费？”Piggy说道。</p> <p>“不然呢，不会真有人打白工吧？”七大回答。</p> <p>你们面面相觑，不知道该怎么回答。</p> <p>“我抄，我原本还想用免费这话去塞他们嘴的，这个世界怎么CCBC收费啊，回去能不能收费。”小白狐说。</p>	<p>Seleclipse stood at the front of the crowd, pointing at the tied up little white fox, and shouted: "This evil question setter has given too many bad questions, ruining my youth, cheating me of money, and making us waste time and money. It's so hateful!"</p> <p>"Wait, you CCBC charges?" Piggy said.</p> <p>"Otherwise, wouldn't someone really work for nothing?" Seven answered.</p> <p>You looked at each other, not knowing how to answer.</p> <p>"I copied it. I originally wanted to shut them up with the word "free". Why does CCBC charge in this world? Can you charge when you go back?" said the little white fox.</p>
<p>蘑菇苦笑了一下：“你真要钱不要命啦？”</p> <p>与此同时，Seleclipse的演讲还在继续：“亲爱的朋友，让我们点上一团火苗，让孬题的出题者来世好好修出题的福吧！”</p> <p>人们开始嚎叫。</p> <p>“異議あり！”突然小白狐大吼了一句，“你们不能这么就把我烧死了，总该听我狡辩两句吧！再怎么说，这可是重大的历史事件，你要听我辩解，才能有效的惊醒后人。”</p> <p>所有人都为小白狐的厚颜无耻感到了震惊，然而他说的还真好像微微的有一点道理。</p> <p>“行，就听你为自己先辩护几句。”Seleclipse说道。</p>	<p>Mushroom smiled bitterly: "Do you really want money over life?"</p> <p>At the same time, Seleclipse's speech continued: "Dear friends, let's light a flame, so that the bad question setter can have a good time in the next life!"</p> <p>People began to howl.</p> <p>"Dissent!" Suddenly, the little white fox yelled, "You can't just burn me to death like this, you should at least listen to my explanation! After all, this is a major historical event, you have to listen to my explanation, only then can it effectively wake up future generations."</p> <p>Everyone was shocked by the shamelessness of the little white fox, but what he said really seemed to make a little sense.</p> <p>"Okay, let me listen to your defense first." Seleclipse said.</p>

# CCBC15T 结局

<p>小白狐拿出了一个大提琴贝斯。</p> <p>“你哪来的大提琴贝斯？”Piggy问。</p> <p>“一看就是你没有看过太多乐队番啊，Piggy老师。”蘑菇说，“贝斯什么时候有人能发现了。”</p>	<p>The little white fox took out a cello bass.</p> <p>"Where did you get the cello bass?" <p>“我要演唱一首我最喜欢的爵士音乐来向大家道歉。那时候我在杭州的一家医院里，学会到了一件事情：每个人都有自己的难言之隐，但再难言，问题终究也需要得到解决。”小白狐拨动了贝斯，发出了一个非常动听的音。</p> <p>“啊……”周围的人沉默了起来，而此时，Piggy的旁边突然出现了一架钢琴。</p> <p>“我的手上怎么多了一个萨克斯？”蘑菇说，“他感觉好有魔力，我好想吹奏它！”</p>	<p>"I want to sing my favorite jazz song to apologize to everyone. At that time, I was in a hospital in Hangzhou and learned one thing: everyone has their own unspeakable secrets, but no matter how difficult it is, the problem must be solved after all." The little white fox plucked the bass and made a very beautiful sound.</p> <p>"Ah..." The people around were silent, and at this time, a piano suddenly appeared next to Piggy.</p> <p>"Why do I have a saxophone in my hand?" Mushroom said, "It feels so magical, I really want to play it!"</p>
<p>这时候，你们莫名其妙的开始演奏起了一首爵士音乐。</p> <p>“这就是我在杭州阿波罗医院悟道写出来的《阿波罗爵士》(APOLLO JAZZ)。道歉专属金曲，没有人不会原谅的。”小白狐说。</p>	<p>At this time, you inexplicably started playing a jazz song.</p> <p>"This is "APOLLO JAZZ" that I wrote when I was enlightened in the Apollo Hospital in Hangzhou. It is a golden song for apology, and no one will not forgive it." The little white fox said.</p>
<p>您别说，效果真好，大家听了这个音乐，就开始想跳舞。跳着欢乐的舞蹈，流着悲伤的眼泪。</p> <p>“呜呜呜呜，触动到我了！我要原谅你们！”一个参赛者说道。</p> <p>“我上次去宛平南路600号也不敢和人说，这首歌唱出了我的心声！”另一位参赛者说。</p>	<p>Don't tell me, the effect is really good. Everyone starts to want to dance after listening to this music. They dance happily and shed sad tears.</p> <p>"Wow, it touched me! I want to forgive you!" said a contestant.</p> <p>"I didn't dare to tell anyone when I went to No. 600 Wanping South Road last time. This song speaks out my heart!" said another contestant.</p>

<p>大家听了歌，纷纷丢下火把，哭作一团，但音乐的动感让他们又没法只是站着哭，于是大家就着音乐跳起了舞蹈。</p> <p>趁着大家跳舞的时候，小白狐被放了下来。在快速找七大签完证明后，音乐戛然而止。所有人却无语凝噎，他们知道，虽然C15的题是孬的，但是未来是光明的。</p> <p>“想开点！反正下一届出题人没有小白狐了！” Seleclipse说道。</p>	<p>After listening to the song, everyone dropped their torches and cried together, but the dynamic of the music made it impossible for them to just stand and cry, so everyone danced to the music.</p> <p>While everyone was dancing, the little white fox was put down. After quickly finding the seven majors to sign the certificate, the music stopped abruptly. Everyone was speechless. They knew that although the questions in C15 were bad, the future was bright.</p> <p>"Think positively! Anyway, there will be no little white fox to set questions for the next session!" said Seleclipse.</p>
<p>大家闭口不言，直到一个叫做黃老九的人说了一句：“那个，小白狐明年应该还在出题组。他塞钱了，塞了很多。”</p> <p>感动的哭转眼间变成了悲痛欲绝的哭。</p>	<p>Everyone kept silent until a man named Huang Laojiu said, "Well, Little White Fox should still be in the question-setting group next year. He gave him a lot of money."</p> <p>The tears of emotion turned into tears of grief in an instant.</p>

# 生死疲劳

<p>在又解决了66次问题后，你们累瘫在了地上。</p> <p>“怎么我们一直在这六个世界里跑来跑去啊！”蘑菇气的大喊，“这小七的第一次CCBC不顺利，第二次，第三次也是……还有别的也是，有天天搞各种深奥艺术的，有天天被饭圈开战的，有出题人天天失踪的，有天天被小动物撞的，还有天天搞出题人的……”</p> <p>“到底要搞到什么地步才能解决这些问题啊！我好累！”COL也抱怨道。</p>	<p>After solving 66 more problems, you collapsed on the ground.</p> <p>"Why do we keep running around in these six worlds!" Mushroom shouted angrily, "This Xiaoqi's first CCBC was not smooth, and the second and third were also... and the others were also, some were doing all kinds of profound arts every day, some were being fought by fan circles every day, some question setters disappeared every day, some were hit by small animals every day, and some were dealing with question setters every day..."</p> <p>"How far do we have to go to solve these problems! I'm so tired!" COL also complained.</p>
<p>“而且，我总觉得不太对，第一次解决问题后，我感觉其实并没有把这个世界的命运往前推进。”Piggy说，“难道说，我们陷入了什么奇怪的无用功吗？”</p> <p>Piggy碰了碰七大水晶球，它发散出了微弱的光芒。</p> <p>七大走了过来，看了看水晶球，解读道：“你们在每个世界做的一切都是改变了因果，而因果的改动总会有一个它的去处。善有善报，恶有恶报。”</p>	<p>"Besides, I always feel that something is wrong. After solving the problem for the first time, I feel that I didn't actually move the fate of this world forward." Piggy said, "Could it be that we are trapped in some strange useless work?"</p> <p>Piggy touched the crystal ball of the Seven Greats, and it emitted a faint light.</p> <p>Qi Da came over, looked at the crystal ball, and interpreted: "Everything you do in each world is to change the cause and effect, and the change of cause and effect will always have a place. Good will be rewarded with good, and evil will be punished with evil."</p>
<p>“但因果的循环总是不能让你抵达彼岸，它只能让你一次一次的沉溺在受苦的循环中。”七大又说道，“这……这是什么意思呢？”</p> <p>小白狐从书包里拿出了第一次去每个世界时，那里的七大开具的证明。</p> <p>“这个水晶球好像有魔法扫描功能……”小白狐举起了水晶球，把每个证明分别都扫描了一遍。</p>	<p>"But the cycle of cause and effect can never let you reach the other side, it can only make you indulge in the cycle of suffering again and again." Qi Da said again, "This...what does this mean?"</p> <p>The little white fox took out the certificate issued by Qi Da when he first went to each world from his schoolbag.</p> <p>"This crystal ball seems to have a magic scanning function..." The little white fox raised the crystal ball and scanned each certificate separately.</p>
<p>扫描完毕后，还没等你们反应过来，水晶球发射出了一束光芒，击中七大。他被击倒在地。过了一会儿，他睁开了眼睛。眼睛里闪着诡异的光芒，而整个人的气质也不尽相同。</p> <p>“现在，让我来帮你们跳出这苦难的轮回。斩断贪嗔痴，解脱六道间。”七大——或者说，被水晶球附身的七大——说道，“天，人，阿修罗，畜生，饿鬼，地狱。六道善恶，皆为云烟；往日悲喜，皆为虚妄；唯有解脱，方可向前。”</p> <p>“吾之记忆已被损坏，把六道的能量给我，帮我恢复解脱的奥秘。”</p> <p>“这个故事从2024年8月9日那天讲起。”七大说。</p>	<p>After the scan was completed, before you could react, the crystal ball emitted a beam of light and hit Qi Da. He was knocked to the ground. After a while, he opened his eyes. There was a strange light in his eyes, and the whole person's temperament was different.</p> <p>"Now, let me help you escape from this cycle of suffering. Cut off greed, anger and ignorance, and free yourself from the six realms." Qi Da - or rather, Qi Da possessed by the crystal ball - said, "Heaven, man, Asura, animal, hungry ghost, hell. The good and evil of the six realms are all clouds and smoke; the past sorrows and joys are all false; only liberation can move forward."</p> <p>"My memory has been damaged, give me the energy of the six realms, and help me restore the secret of liberation."</p> <p>"This story starts on August 9, 2024." Qi Da said.</p>

# 世间万物四野八荒一时俱现

“我们要造墙……？什么墙？”Fivero疑惑的问道。

一直待在教室里的牛牛也问道：“哪里有什么墙？我把校园探了一番，外面全是时空漩涡，根本没有东西可以拿。”

“业报因果皆由缘起。”七大说，“从何而生，从何而来。”

“这个人怎么这么谜语人啊……”小白狐小声咕哝了两句。

"We are going to build a wall...? What wall?" Fivero asked in confusion.

Niu Niu, who had been staying in the classroom, also asked: "Where is the wall? I explored the campus, and the outside is full of time and space vortices, there is nothing to take."

"Karma and cause and effect are all caused by fate." Qi Da said, "Where are they born from, where do they come from."

"Why is this person so riddle-like..." The little white fox muttered a few words in a low voice.

# 尾声

你们把手叠放在了桌子上，小白狐拿出了刚刚起草好的倡议书。

“我发誓，在以后的CCBC比赛中，我们将不占用未来出题组的编号(DONT NUMBER JACK)，不给未来出题组挖深坑，不乱砍乱伐，不乱排污水，让未来出题组有良好的出题体验，让CCBC的历史能有效，有记录的传承下去。维持CCBC荣光，保护地球环境，吾辈义不容辞！”小白狐铿锵有力，不卑不亢地一字一句念出了这份倡议书。

突然，整个教室震动了起来，天旋地转，你们仿佛听见至高的力量在你们脑子中回荡着。你们都晕倒了地上。

最先醒的是Piggy，他打开门，看见外面的阳光时，他知道，他们回来了。

他回头看见水晶球依旧附身的七大，他的脸上露出了笑容。你们其他的人也慢慢的爬了起来。

“施主们，谢谢你们。”七大说。

“其他世界的人呢？我想他们的问题也仍然没有得到有效的解决。”Piggy问。

“修行在个人。施主也毋须自责。你们已经算是把他们渡了第一重关卡了。希望你们也可以在未来的日子中保持你们的努力。向前看，要学习Oasis唱的Don't Look Back in Anger，不要学那两兄弟做的。”七大说道。

说完，七大闭上了眼睛，也晕了过去。

“辛苦了。”小白狐说道，“既然大家回来了，那我们一起把闲散幼儿园演完吧，下一章的故事是……”

“演锤子！”Fivero抄起一个板凳就扔到了小白狐的脸上。

紧接着，除了Piggy以外，所有人都跳到了小白狐的身上开始揍他。

You put your hands on the table, and the little white fox took out the proposal letter that he had just drafted.

"I swear that in the future CCBC competition, we will not occupy the number of the future question-setting group (DONT NUMBER JACK), will not dig deep pits for the future question-setting group, will not cut down trees indiscriminately, will not discharge sewage indiscriminately, so that the future question-setting group will have a good question-setting experience, and the history of CCBC can be passed on effectively and recorded. It is our duty to maintain the glory of CCBC and protect the earth's environment!" The little white fox read out the proposal word by word in a sonorous and powerful voice.

Suddenly, the whole classroom shook, the sky spun, and you seemed to hear the supreme power echoing in your mind. You all fainted on the ground.

Piggy was the first to wake up. When he opened the door and saw the sunlight outside, he knew that they were back.

He looked back and saw the seven big people still possessed by the crystal ball, and a smile appeared on his face. The rest of you also slowly climbed up.

"Thank you, donors." The seven big people said.

"What about the people in other worlds? I think their problems have not been effectively solved yet." Piggy asked.

"It's up to the individual to practice. The donors don't need to blame themselves. You have helped them pass the first level. I hope you can keep up your efforts in the future. Look forward, learn from Oasis's song Don't Look Back in Anger, don't learn from those two brothers." Qi Da said.

After that, Qi Da closed his eyes and fainted.

"Thank you for your hard work." Little White Fox said, "Since everyone is back, let's finish the performance of the idle kindergarten together. The next chapter of the story is..."

"Play the hammer!" Fivero picked up a bench and threw it at Little White Fox's face.

Then, except for Piggy, everyone jumped on Little White Fox and started beating him.

<p>“要不咱们，就把这次旅途写成一段剧情吧。就当是让大家体验一下我们的奇幻旅程了。”Piggy说完，看向了你们——参赛者们，“而你们，既然和我们一起完成了这趟旅程，也就是算你们通关了。”</p>	<p>“Why don't we write this journey into a story. Just let everyone experience our fantastic journey.” Piggy said, and looked at you - the contestants, “And since you have completed this journey with us, you have passed the level.”</p>
<p>“顺便，恭喜你们完成比赛！”一直没有戏份的NANO鼓起了掌。</p> <p>你们也十分开心，闲散解谜的大家拿出了奖状和奖杯，牛牛也把这次的周边给了你们。</p> <p>但七大呢？你们很疑惑，不过先不要想这件事儿，毕竟后面还有采访等内容，你们也非常想和朋友炫耀一下你们的成绩。</p> <p>你们还有好多好多的计划.....</p>	<p>"By the way, congratulations on completing the competition!" NANO, who had not played a role, applauded.</p> <p>You were also very happy. Everyone who was solving puzzles leisurely took out the certificates and trophies, and Niu Niu also gave you the peripherals of this time.</p> <p>But what about Qi Da? You were confused, but don't think about it for now, after all, there will be interviews and other content later, and you also want to show off your achievements to your friends.</p> <p>You still have many, many plans...</p>
<p>只是还没有想完，你们回头看到了七大。</p> <p>“想什么呢，[insert team name]？你觉得我会偷偷在你们背后给你们一闷棍，把你们关在小黑屋里，然后让你们出下一届的CCBC吗？你们也不是冠军，不用想这么多的。”七大说。</p> <p>总之，你们完成了比赛！你们走出了教室。好奇心驱使着你们决定在幼儿园里先逛一逛，顺便看看这个原本的布景长什么样。</p> <p>直到，你们在角落里看见了一个紧锁的门，你们听见里面simplicissimus队员熟悉的惨叫声以及鞭子声，好像意识到了什么，快速地离开了幼儿园。</p>	<p>But before you finish thinking, you look back and see Qi Da.</p> <p>"What are you thinking, [insert team name]? Do you think I will secretly hit you from behind, lock you in a small dark room, and then let you participate in the next CCBC? You are not the champions, so you don't have to think so much." Qi Da said.</p> <p>In short, you completed the competition! You walked out of the classroom. Driven by curiosity, you decided to take a walk in the kindergarten first and take a look at what the original set looks like.</p> <p>Until you saw a locked door in the corner, and heard the familiar screams and whip sounds of the simplicissimus team members inside, as if you realized something, and quickly left the kindergarten.</p>
<p>生活还在继续，未来的CCBC也会越来越好的。在比赛结束那天，七大开心的给大家进行赛事终结的时候，你们早早地打开了直播间。</p> <p>“总之，我们非常感谢大家的参与，感谢闲散解谜出题，也非常感谢simplicissimus对于CCBC的贡献！”</p> <p>就在这么一句话中，这一届CCBC就这么的画下了尾声。</p>	<p>Life goes on, and the future CCBC will get better and better. On the day when the game ended, when the seven majors happily gave everyone the end of the game, you opened the live broadcast room early.</p> <p>"In short, we are very grateful for everyone's participation, thank Xiansan for solving puzzles, and thank simplicissimus for its contribution to CCBC!"</p> <p>With just one sentence, this CCBC came to an end.</p>
